Tips for a successful Food & Fun Drive

#### The Basics

Have a start and end date for your food drive. Let people know about this timeline, and determine how the food will get to NorthWest Family Foods.

Determine what supplies you will need, and set a food drive goal. Setting goals helps people remain motivated in their efforts.

**Register your event** by contacting Toni Auriemma at 802-527-7392.

#### **Setting a Food Drive Goal**

Set a goal for total weight in food donations! If you don't have a scale, bring your donations to NorthWest Family Foods for an accurate weight.

Have a monetary donation goal set with milestones to track your progress.

#### **Promoting Your Food Drive**

- Share on social media (and tag us @northwestfamilyfoods on Instagram and @nwffsaintalbansvt on Facebook), via word-of-mouth, flyers, and announcements!
- -Track your progress with pictures of donations and post them on social media to reach more people.
- Offer a prize for the highest donation weight or cash donation. Prizes can range from gift cards, home goods, or a matching donation from the organization to CVOEO.
- Community matching donations are a great way to drive contributions. Reach out to local businesses to see if they can donate a set amount of money for every 50 pounds of food you collect. This matching donation could also help in promoting the food drive -- include it on your flyers, posters, and social media promotion!

Donating food after your Food & Fun Drive

Organizing a combined Food & Fund Drive

#### Did you know that a \$25 donation can provide a full Thanksgiving Feast to a family of four?

People often prefer to make a monetary donation, especially given the changed comfort levels with in-person events and gatherings. Think about your target audience, and consider what might be easiest for them. Whatever your decision, make sure to advertise this aspect prominently!

Give people context for their donations! Show how far their financial gifts will go through email, flyers, and other announcements.

You may also choose to organize a "Paper Turkey" Drive during your Food & Fund Drive. For every \$10 donation, you can give out or display a paper turkey to signify their gift (ie. in a break room, or on the wall of your collection site!). This will help your group see the true value of their donations.
