***\*USDA Rural Development (RD) does not monitor this Manufactured Housing Approved Dealer/Contractor list for performance or current business practices. This list only provides those dealers who have previously been approved by the Agency. USDA RD loan applicants or Guaranteed lenders must investigate a dealer's performance on their own to determine if a contractor's services will be adequate to suit their needs. USDA Rural Development reserves the right to remove a MH dealer/contractor from this list if the dealer has been inactive for two or more years, or the Agency has performance information that would warrant repealing the Dealer/Contractor approval.\****
